Christina Mei-Yue Wong joined the San Francisco Unified School District as a Special Assistant to the Superintendent for Multilingual Learners in 2009. She facilitates the cross departmental implementation of the district’s plan for Multilingual Learners to provide a comprehensive system of support to effectively serve Multilingual Learners and prepare them to succeed in the 21st century. Christina also serves as the district’s liaison at interagency meetings to coordinate city-wide efforts related to changes in immigration policy that directly impact the district’s students and their families.
